

Soak up the sun like Nina Dobrev, but first... apply SPF!

Sun-Sational!

The main culprit behind aging is exposure to UVA/UVB rays. The easiest way to maintain a youthful glow? Slathering on sunblock! Here, the newest for body, face and even hair.

BODY

This quick-absorbing spray feels ultralight but has a superhigh SPF for strong protection. **Coppertone Defend & Care Ultra Hydrate Whipped Sunscreen SPF 50**, \$13, amazon.com

Talk about a win-win! This SPF spray gel and instant bronzer duo allows you to safeguard your skin while getting sun-kissed color. **Australian Gold SPF Spray Gel with Instant Bronzer**, \$9, walgreens.com

Green tea extract coats the skin in a layer of antioxidants that helps prevent long-term damage and premature aging. **Hawaiian Tropic Antioxidant+ Sunscreen Lotion SPF 30**, \$8, target.com
